| <b>PUBIC VIEWING</b>                                                                                                                                                                            | <b>1:30 PM - 5:00 PM</b>                                                                                                   |
| <b>AWARDS</b>                                                                                                                                                                                   | <b>5:00 PM - 6:30 PM</b>                                                                                                   |

Parents: You will sit in bleachers during judging if space permits. Lunch is on your own.  
Campus and Ryan St. restaurants know you are coming.

Junior and Senior Division 1st and 2nd place winners must stay to get their original 1-B form signed to be able to register for the State Science Fair. The deadline to register for state is TBA. Senior Division Best of Show and Best of Senior Division must stay for other paperwork for the International Science Fair. All judging is final, no viewing of the judging sheets. If forms are incomplete you will be disqualified by the state.

**REMEMBER:**

**2025 REGISTRATION IS ONLINE.**
