Welcome to the 72nd Annual

Louisiana Region V Science & Engineering Fair

February 12, 2027

McNeese State University Recreation Center

Sponsored By

McNeese State University and SASOL

******REGISTRATION CLOSES January 25, 2027 ******

Fee: ***$25 per person***

MSU and SASOL will host the Region V Science & Engineering Fair each year for all qualifying participants. The fair is broken into three divisions: Elementary Division (4th-5th grade), Junior Division (6th-8th grade), and Senior Division (9th-12th grade). The Region V Science & Engineering Fair is open to all schools in the Southwest Louisiana Area (Calcasieu, Cameron, Jefferson Davis, Allen, and Beauregard).

LOCATION

McNeese State University Recreation Center

4150 Ieyoub Family Dr, Lake Charles, LA 70605

PARKING

Watch for postings closer to the fair at lasciencefair.org.

AWARDS

*Students in the **Jr and Sr Division who place 1st or 2nd** in their category will automatically move on to compete at the **Louisiana State Science & Engineering Fair held at LSU on April 5-7, 2027.** You will need to visit their website to register, but all paperwork will follow you digitally through Zfairs platform.*

*The Regeneron International Science and Engineering Fair **(ISEF) 2027** will take place in Los Angeles,**CA May 8-14, 2027,** at the Phoenix Convention Center. This is the premier global pre-college science competition for high school students, showcasing innovative projects*

across 22 STEM categories. Region V Science and Engineering Fair will pay for airfare, hotel, and registration, plus food expenses for the student—an estimated ***$4000.00 prize package****.* ***Two Senior Students will be chosen to attend ISEF.***

FOOD & REFRESHMENTS FOR DAY OF FAIR

Please notice the times for judging an activities. Junior Division students should be reminded to have a good breakfast, as they will not be released until 12:45pm. (tenatively) We are excited to announce that Traveling Tom's Coffee Truck will be parked outside again this year for students and parents to enjoy. Please let your students know to bring money. There will be no concessions or other food/drink availabe for students, teachers, or volunteers.

Contact Judy Reeves at JRkat60@gmail.com with any questions.

We are looking forward to another wonderful year at the Region V Science and Engineering Fair!

Thank you for being apart of this impactful event!
