

Student Guide to filling out required forms:

Teacher Please add your info in the correct places before printing for your students.

I use this as a grade for following direction in my class ..

[www.lasciencefair.org](http://www.lasciencefair.org)

- Home page look to your left and locate Project Info then scroll to Forms Click on FORMS
- Junior & Senior Project Required Forms: These are the forms that must be completed on line and printed..Make sure you follow all rules and guidelines !!
- ISEF Abstract Form
  1. top section of this form
